

We're back!!

Our Language Summer Camps are back! We will be running a range of online camps and onsite camps in schools in Dublin 4 (St Christopher's Primary School, Ballsbridge & The Teresian School, Donnybrook) and in Dublin 8 (Bunscoil Sancta Maria Primary School, Synge St, Portobello) this summer.

We will be running camps for the following languages: Spanish, French, Italian, German, Chinese and English. The camps cater for children from 4 to 13 years old, students will be organised into smaller groups according to age and level.

Onsite Camps

Camp times are from 9am to 2pm with the possibility of staying longer and participating in our multi-activity after camp programme. Early childcare will also be available.

Our camps are run by professional and qualified teachers ensuring that our young students have fun while learning the language in a safe environment. Art & Crafts, singing & dancing, drama & role playing, outdoor games, and treasure hunts are among the activities included in the programme which has been designed to ensure that our young participants enjoy learning the language in full immersion.

The syllabus includes a different theme for each week so that your child can attend as many weeks as you wish. Themes vary between Pirates, Wild West, The Jungle, Space, The Zoo, Fairyland, and trips to Spain, France, Germany, Italy & China to discover culture as well as language. The camp routine aims to develop all four skills in language development through the many day-to-day interactive & fun activities.
