

Anti-Bullying Policy

In accordance with the requirements of the Education (Welfare) Act 2000 and the Code of Behaviour guidelines issued by the NEWB, the Board of Management of St Christopher's Primary School has adopted the following anti-bullying policy within the framework of the school's overall Code of Behaviour. This policy fully complies with the requirements of the *Anti-Bullying Procedures for Primary and Post-Primary Schools* which were published by the Department of Education in September 2013.

Here at St. Christopher's Primary School we believe that our pupils have the right to learn in a supportive, caring and safe environment. All institutions, whether large or small, contain some individuals who have the potential for bullying behaviour. If a school is well disciplined and organised it can minimise the occurrences of bullying. Our Mission Statement includes our aims to enhance pupils self-esteem and the development of personal responsibility. In our school, it is made clear that bullying is a form of anti-social behaviour. It is always wrong and will not be tolerated.

The Board of Management recognises the very serious nature of bullying and the negative impact that it can have on the lives of pupils and is therefore fully committed to certain key principles of best practice in preventing and tackling bullying behaviour:

- **A positive school culture and climate** which is welcoming of difference and diversity and is based on inclusivity, encourages pupils to disclose and discuss incidents of bullying behaviour in a non-threatening environment and promotes respectful relationships across the school community.
- **Effective leadership**
- **A school-wide approach**
- **A shared understanding of what bullying is and its impact**
- **Implementation of education and prevention strategies** (including awareness raising measures) that build empathy, respect and resilience in pupils, explicitly address the issues of cyber-bullying and identity-based bullying including homophobic and transphobic bullying.

- **Effective supervision and monitoring of pupils**
- **Supports for staff**
- **Consistent recording, investigation and follow up of bullying behaviour (including use of established intervention strategies); and**
- **On-going evaluation of the effectiveness of the anti-bullying policy.**

Key elements of a positive school culture

- The school acknowledges the right of each member of the school community to enjoy school in a secure environment.
- The school acknowledges the uniqueness of each individual and his/her worth as a human being.
- The school promotes positive habits of self-respect, self-discipline and responsibility among all its members.
- The school prohibits vulgar, offensive, sectarian or other aggressive behaviour or language by any of its members.
- The school has a clear commitment to promoting equity in general and gender equity in particular in all aspects of its functioning.
- The school has the capacity to change in response to pupils' needs.
- The school identifies aspects of curriculum through which positive and lasting influences can be exerted towards forming pupils' attitudes and values.
- The school takes particular care of "at risk" pupils and uses its monitoring systems to facilitate early intervention where necessary and it responds to the needs, fears or anxieties of individual members in a sensitive manner.
- The school recognises the need to work in partnership with and keep parents informed on procedures to improve relationships on a school-wide basis.
- The school recognises the role of parents in equipping the pupil with a range of life-skills.
- The school recognises the role of other community agencies in preventing and dealing with bullying.
- The school promotes habits of mutual respect, courtesy and an awareness of the interdependence of people in groups and communities.
- The school promotes qualities of social responsibility, tolerance and understanding among all its members both in school and out of school.
- Staff members share a collegiate responsibility, under the direction of the Principal, to act in preventing bullying/aggressive behaviour by any member of the school community.

What is bullying?

In accordance with the *Anti-Bullying Procedures for Primary and Post-Primary Schools* bullying is defined as follows:

Bullying is unwanted negative behaviour - verbal, psychological or physical - conducted by an individual or group against another person (or persons) and which is repeated over time. Bullying behaviour is intentional and deliberate.

See Appendix 1 for examples of bullying behaviours.

The following types of bullying behaviour are included in the definition of bullying:

- deliberate exclusion, malicious gossip and other forms of relational bullying,
- cyber-bullying and
- identity-based bullying such as homophobic bullying, racist bullying, bullying based on a person's membership of the Traveller community and bullying of those with disabilities or special educational needs.

Isolated or once-off incidents of intentional negative behaviour, including a once-off offensive or hurtful text message or other private messaging, do not fall within the definition of bullying and should be dealt with, as appropriate, in accordance with the school's Code of Behaviour. However, in the context of this policy, placing a once-off offensive or hurtful public message, image or statement on a social network site or other public forum where that message, image or statement can be viewed and/or repeated by other people will be regarded as bullying behaviour.

Negative behaviour that does not meet this definition of bullying will be dealt with in accordance with the school's Code of Behaviour.

Relevant Teachers

The relevant teachers for investigating and dealing with bullying in St Christopher's Primary School are class teachers, SET teachers, Deputy Principal and Principal. Any teacher may act as a relevant teacher if circumstances warrant it.

Rights and Responsibilities

In the daily life and routines of the school the ways in which people interact with each other significantly affect each person's sense of self-worth, belonging and well-being. The fostering of good quality interpersonal relationships among teachers, students, parents and ancillary staff is a responsibility shared by everyone.

All members of the school community have a role to play in the prevention of bullying.

Responsibilities of the Board of Management

The Board of Management is responsible for ensuring that all members of the school community are enabled to deal effectively with bullying. The Board is committed to providing time and resources for the implementation of the policy. The Board will ensure that proper supervisory and monitoring measures are in place to prevent bullying and to deal with incidents appropriately as they arise.

Responsibilities of the Principal

At least once in every term the principal will provide a report to the Board of Management setting out

- i. the overall number of bullying cases reported (by means of the bullying recording template at Appendix 3) since the previous report to the Board and
- ii. confirmation that all cases referred to at (i) above have been or are being, dealt with in accordance with the school's anti-bullying policy and the AntiBullying Procedures for Primary and Post-Primary schools.

The minutes of the Board of Management meeting must record the above but in doing so must not include any identifying details of the pupils involved

Responsibilities of School Staff

- To acknowledge that bullying is a shared responsibility within the school.
- To implement prevention and intervention strategies which build and maintain safe learning environment for the whole school community.
- To empower students to deal with conflict in constructive ways.
- To take all reports of bullying seriously and to report them to the Principal if warranted.

- To document any serious bullying incidents using the Bullying Incident Report Form.

Responsibilities of Pupils

- To show consideration, respect and support towards others.
- To be able to identify bullying behaviour.
- To not bully others.
- To tell if they are being bullied or if they see someone else being bullied.
- To engage in responsible reporting when witnessing or experiencing bullying behaviour.
- To develop a sense of empathy for targeted members of the school community and as a result take safe and sensible action as a bystander.

Responsibilities of Parents

- To support the school in the implementation of the policy.
- To watch out for signs that their child may be being bullied.
- To speak to the class teacher if their child is being bullied or they suspect that this is happening.
- To speak to the class teacher as soon as they are aware that issues are arising which are affecting their child.
- To instruct their children to tell if they are being bullied or if they have seen other pupils being bullied.
- To notify the school if they think that their child is displaying bullying behaviour and to work with the school in addressing this problem. They should not defer letting the school know of any issue, in the hope that the problem will go away.
- To ensure that if their children are online that they are using social media in a safe and responsible manner; parental supervision is very important in this area as there are risks associated with internet/website access.
- To never directly approach a student, or the parent of a student, at the school to intervene in behavioural issues.

Strategies

The education and prevention strategies that are used by our school include:

School-wide approach

- A school-wide approach to the fostering of respect for all members of the school community; adults should model the type of behaviours they promote to pupils.
- The promotion of the value of diversity to address issues of prejudice and stereotyping, and highlight the unacceptability of bullying behaviour.
- The promotion of an inclusive school, which caters for the diverse abilities, characteristics, learning needs and styles of our pupils with special educational needs. The school's resources, equipment and strategies are reviewed and updated as necessary to provide for meaningful participation of students with special educational needs.
- The fostering and enhancing of the self-esteem of all our pupils through both curricular and extracurricular activities. Pupils are provided with opportunities to develop a positive sense of self-worth through formal and informal interactions.
- All classes from Junior Infants to 6th will take part in the Weaving Wellbeing Programme each year. Weaving Wellbeing is an Irish researched and designed positive mental health programme for children. Weaving Wellbeing gives children the opportunity to weave positivity into their daily lives through a range of activities in a variety of areas
- Whole staff professional development on bullying to ensure that all staff develops an awareness of what bullying is, how it impacts on pupils' lives and the need to respond to it-prevention and intervention; the topic of bullying is addressed at each staff meeting.
- In November of each year, Anti-Bullying Awareness will be taught by class teachers. This ensures all children (including those who arrive at later years of the school cycle) are supported in their understanding of bullying and do not miss out on formal instruction.
- At least five awareness-raising exercises per school year will be taught for each senior class (3rd to 6th), and a smaller number, ideally three/four, per school year will be taught for each junior class (JI – 2nd). These age appropriate lessons will be chosen from the Primary Section of the Anti-Bullying Campaign, via its website:

- School wide awareness raising and training on all aspects of bullying, including pupils, parent(s)/guardian(s) and the wider school community (e.g.: talks for parents/pupils on Stay Safe, Internet Safety/cyberbullying).
- Supervision and monitoring of classrooms, corridors, school grounds, school tours and extra- curricular activities. Non-teaching and ancillary staff are encouraged to be vigilant and report issues to relevant teachers. Supervision also applies to monitoring pupils' use of communication technology within the school. (See Supervision Policy and AUP).
- Buddy system and other student support activities that can help to support pupils and encourage a culture of peer respect and support.
- Development and promotion of an Anti-Bullying code for the school-displayed publicly in classrooms and in common areas of the school.
- The school's Anti-Bullying Policy is discussed with pupils and all parent(s)/guardian(s) are given a copy as part of the Code of Behaviour of the school upon entry. It is also available on the school website.
- The implementation of regular whole school awareness measures, including posters, competitions, group assemblies etc.
- Encourage a culture of telling, with particular emphasis on the importance of bystanders. In that way pupils gain confidence in 'telling'. This confidence factor is of vital importance. It should be made clear to all pupils that when they report incidents of bullying they are not considered to be telling tales but are behaving responsibly.
- Ensuring that pupils know who to tell and how to tell, e.g.:
 - ✓ Direct approach to teacher at an appropriate time, for example after class.
 - ✓ Hand note in with homework.
 - ✓ Worry box for older children.
 - ✓ Get a parent(s)/guardian(s) or friend to tell on your behalf.
 - ✓ Ensure bystanders understand the importance of telling if they witness or know that bullying is taking place. All teachers will teach children to recognise bullying behaviour and encourage them to use their voice to say 'no' to such behaviour.
- Identify clear protocols to encourage parent(s)/guardian(s) to approach the school if they suspect that their child is being bullied.
- Ensuring that children and parents accept the Acceptable Use Policy of the school.

Implementation of curricula

- The implementation of the SPHE curriculum, according to our school plan, including the RSE and Stay Safe Programmes.
- School wide delivery of lessons on bullying from evidence based programmes, e.g. Stay Safe Programme and The Walk Tall Programme (integrated); cyberbullying (Webwise teachers' resources) and lessons from www.antibullyingcampaign.ie
- Delivery of the Garda SPHE Programmes at primary level. These lessons, delivered by Community Gardai (when available) cover issues around personal safety and cyber-bullying.
- The school will specifically consider the additional needs of SEN pupils with regard to programme implementation and the development of skills and strategies to enable all pupils to respond appropriately.

Procedures for Investigating and Dealing with Bullying

The school's procedures for investigation, follow-up and recording of bullying behaviour and the established intervention strategies used by the school for dealing with cases of bullying behaviour are as detailed below. The primary aim in investigating and dealing with bullying is to resolve any issues and to restore, as far as is practicable, the relationships of the parties involved (rather than to apportion blame). Every effort will be made to ensure that all involved (including pupils, parent(s)/guardian(s)) understand this approach from the outset.

Reporting bullying behaviour

- Pupils are encouraged to report bullying behaviour as soon as possible.
- Any pupil or parent(s)/guardian(s) may bring a bullying incident to the attention of any teacher in the school.
- All reports, including anonymous reports of bullying, will be investigated and dealt with by the relevant teacher.
- Teaching and non-teaching staff such as secretaries, special needs assistants (SNAs), caretaker, cleaners must report any incidents of bullying behaviour witnessed by them, or mentioned to them, to the relevant teacher.

Investigating and dealing with incidents

- In investigating and dealing with bullying, the (relevant) teacher will exercise his/her professional judgement to determine whether bullying has occurred and how best the situation might be resolved.
- Parent(s)/guardian(s) and pupils are required to co-operate with any investigation and assist the school in resolving any issues and restoring, as far as is practicable, the relationships of the parties involved as quickly as possible.
- Teachers should take a calm, unemotional problem-solving approach.
- Where possible incidents should be investigated outside the classroom to ensure the privacy of all involved.
- All interviews should be conducted with sensitivity and with due regard to the rights of all pupils concerned. Pupils who are not directly involved can also provide very useful information in this way.

- When analysing incidents of bullying behaviour, the relevant teacher should seek answers to questions of *what, where, when, who and why*. This should be done in a calm manner, setting an example in dealing effectively with conflict in a non-aggressive manner. Teachers who are investigating bullying behaviour should keep a written record of their discussions with those involved.
- If a group is involved, each member should be interviewed individually at first. Thereafter, all those involved should be met as a group. At the group meeting, each member should be asked for his/her account of what happened to ensure that everyone in the group is clear about each other's statements.
- It is school policy to request the assistance of another staff member in such investigations.
- Each member of a group should be supported through the possible pressures that may face them from the other members of the group after the interview by the teacher; It may also be helpful to ask those involved to write down their account of the incident(s) (if appropriate).
- Where the relevant teacher has determined that a pupil has been engaged in bullying behaviour, it should be made clear to him/her how he/she is in breach of the school's Anti-Bullying Policy and efforts should be made to try to get him/her to see the situation from the perspective of the pupil being bullied.
- In cases where it has been determined by the relevant teacher that bullying behaviour has occurred, the parent(s)/guardian(s) of the parties involved will be contacted at an early stage to inform them of the matter and explain the actions being taken (by reference to the school policy). The school will give parent(s)/guardian(s) an opportunity to discuss ways in which they can reinforce or support the actions being taken by the school and the supports provided to the pupils.
- It must also be made clear to all involved (each set of pupils and parent(s)/guardian(s)) that in any situation where disciplinary sanctions are required, this is a private matter between the pupil being disciplined, his or her parent(s)/guardian(s) and the school.

The following steps are taken in dealing with bullying behaviour:

- In St Christopher's we try to enable those involved to engage in a mediated conversation, the purpose of which is to allow for the victim to have a voice and the perpetrator to understand the consequences of their actions. All staff will be made aware of the importance of this practice.
- A verbal warning is given to the perpetrator to stop the offending behaviour. This is done in the presence of the perpetrator's parent(s), the Principal and another teacher. The perpetrator is requested to apologise to the victim in the presence of the Principal and another teacher and to give an assurance that the offending behaviour will stop.
- There may be loss of specific privileges which may include the following: exclusion from break/lunchtime play for a specific number of days; parents may be requested to escort their child to and from school.
- If bullying reoccurs, it may be deemed necessary to have the perpetrator sign a contract of agreement to stop the bullying behaviour. This would also be signed by the parent(s). The contract will be monitored regularly by the Principal with the assistance of the class teacher and another member of staff to see that the situation is resolved.
- If after the above, the bullying behaviour reoccurs a formal meeting of the perpetrator, his/her parents /guardians, the Principal and Chairperson of the Board of Management will be held and a formal suspension may occur. The Chairperson has the authority to enact an immediate suspension. Alternatively, in certain circumstances he/she may issue a final Chairperson's warning to the perpetrator.
- While the school supports parents and pupils in dealing with issues that arise outside of school, parents should be aware that the school is limited in its power to deal fully with issues that arise while the children are not under our care.

Follow up and recording

- In determining whether a bullying case has been adequately and appropriately addressed the relevant teacher must, as part of his/her professional judgement, take the following factors into account:
 - ✓ Whether the bullying behaviour has ceased;
 - ✓ Whether any issues between the parties have been resolved as far as is practicable;

- ✓ Whether the relationships between the parties have been restored as far as is practicable;
- ✓ Any feedback received from the parties involved, their parent(s)/guardian(s) or the school Principal or Deputy Principal
- Follow-up meetings with the relevant parties involved should be arranged separately with a view to possibly bringing them together at a later date if the pupil who has been bullied is ready and agreeable.
- Where a parent(s)/guardian(s) is not satisfied that the school has dealt with a bullying case in accordance with these procedures, the parent(s)/guardian(s) will be referred, as appropriate, to the school's complaints procedures.
- In the event that a parent(s)/guardian(s) has exhausted the school's complaints procedures and is still not satisfied, the school will advise the parent(s)/guardian(s) of their right to make a complaint to the Ombudsman for Children.

Recording of bullying behaviour

It is important that all recording of bullying incidents is done in an objective and factual manner. This school's procedures for noting and reporting bullying behaviour are as follows:

Informal- pre-determination that bullying has occurred

- All staff keep a written record of any incidents witnessed by them or notified to them. We use an incident book for use of teacher on the playground. The Principal also has a book for reporting of incidents other than those recorded in the playground book. All incidents should be reported to the relevant teacher.
- While all reports, including anonymous reports of bullying must be investigated and dealt with by the relevant teacher, the relevant teacher must keep a written record of the reports, the actions taken and any discussions with those involved regarding same.
- The relevant teacher must inform the Principal of all incidents being investigated.

Formal Stage 1-determination that bullying has occurred

- If it is established by the relevant teacher that bullying has occurred, the relevant teacher must keep appropriate written records which will assist his/her efforts to resolve the issues and restore, as far as is practicable, the relationships of the parties involved.

- The school has decided that, at the end of each school year, any written records pertaining to a class will be passed on to the next class teacher with the children's files.

Formal Stage 2-known as Appendix 3 (From DES Procedures)

- The relevant teacher must use the recording template known **Appendix 3** to record the bullying behaviour. This is available on the school administration system: Aladdin. It will be used only in the following circumstances:
 - a) in cases where he/she considers that the bullying behaviour has not been adequately and appropriately addressed within 20 school days after he/she has determined that bullying behaviour occurred; and
 - b) Where the school has decided as part of its anti-bullying policy that in certain circumstances bullying behaviour must be recorded and reported immediately to the Principal or Deputy Principal as applicable.

Here in St Christopher's it is our policy to inform the Gardai in cases where we are made aware of Cyber Bullying.

When the recording template is completed, it will be retained in the Principal's office.

Established intervention strategies

- Teacher conversations with pupils.
- Negotiating agreements between pupils and following these up by monitoring progress. This can be on an informal basis or implemented through a more structured mediation process.
- Working with parent(s)/guardian(s) to support school interventions
- Circle Time and similar strategies in order to address issues.
- Anti-bullying programme and awareness-raising throughout the school year.

Support

The school's programme of support for working with pupils affected by bullying is as follows

- All in-school supports and opportunities will be provided for the pupils affected by bullying to participate in activities designed to raise their self-esteem, to develop friendships and social skills and build resilience e.g.

- ✓ Pastoral care system
 - ✓ Buddy system
 - ✓ Care team
 - ✓ Group work such as Circle Time
- If pupils require counselling or further supports the school will endeavour to liaise with the appropriate agencies to organise same. This may be either for the pupil affected by bullying or involved in the bullying behaviour.
 - Pupils should understand that there are no innocent bystanders and that all incidents of bullying behaviour must be reported to a teacher.

Supervision and Monitoring of Pupils

The Board of Management confirms that appropriate supervision and monitoring policies and practices are in place to both prevent and deal with bullying behaviour and to facilitate early intervention where possible.

See Supervision Policy.

See Acceptable Use Policy.

See Mobile Phone Policy, included in Code of Behaviour.

Prevention of Harassment

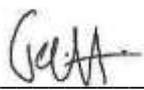

The Board of Management confirms that the school will, in accordance with its obligations under equality legislation, take all such steps that are reasonably practicable to prevent the sexual harassment of members of the school community or the harassment of pupils or staff on any of the nine grounds specified i.e. gender including transgender, civil status, family status, sexual orientation, religion, age, disability, race and membership of the Traveller community.

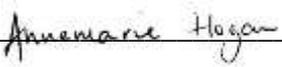

This policy was adopted by the Board of Management on April 7th 2014.

This policy has been made available to school personnel and is published on the school website which is accessible to parents and pupils. A copy of this policy will be made available to the Department of Education and the Patron if requested.

This policy and its implementation will be reviewed by the Board of Management once in every school year, using Appendix 4 of Circ 045/2013.

Written notification that the review has been completed will be made available to school personnel, published on the school website and made accessible to parents and pupils. A record of the review and its outcome will be made available, if requested, to the Department of Education and the Patron.
